

TEAS Information for Prospective Nursing Students

All prospective Nursing students are responsible for reviewing and understanding all information outlined on this sheet.

1. All students submitting a NursingCAS application for the BS in Nursing Program will need to complete the ATI Test of Essential Academic Skills (TEAS) exam to be eligible for consideration.
2. The ATI TEAS exam is designed to assess a student's preparedness to enter a nursing program. There are 170 test items designed to test basic academic skills in the areas of reading, math, science, and English and language usage.
3. The cost for the ATI TEAS exam for the TWU College of Nursing is \$122 per test.
4. ***ATI does not offer refunds or permit rescheduling of the TEAS exam if a student is not able to test as scheduled including being late.*** We offer a 5-minute grace period after your scheduled test time. Please login 15 minutes before your scheduled test administration start time. Late arrivals will not be permitted to test once the exam has started.
5. The TEAS score will be utilized along with GPA and quality (grade) points as part of the ranking process for upper-division Nursing enrollment selection.
6. Students achieving an individual score of 64% or higher on the ATI TEAS Individual Performance Profile (each section) are eligible to submit a NursingCAS application for consideration.
7. If an individual score of at least a 64% or higher is not achieved, students will have the option to retake the TEAS exam. We do ask students to explore practice test options and review their official score report to determine their areas of weakness.
8. Prospective nursing students are limited to two (2) attempts at the TEAS between any two admission deadlines (Feb. 2 – Aug 15; Aug. 16 – Feb. 1). Only scores from TEAS tests taken within one (1) year of the application deadline for which the student is applying will be considered. Within these parameters, students may select which TEAS test scores will be included in their application to the undergraduate nursing program. Students will indicate their selection by uploading the selected score report into NursingCAS with their other application materials. TEAS score reports submitted by applicants that do not follow this policy will render your application invalid.
9. The TWU College of Nursing currently does not have a wait-period for you to retake the exam, however, ask that you consider ways to study and improve your performance prior to retaking the exam. Note: Please see our TEAS exam policy above as you are limited to 2 attempts within an application cycle. The deadline for fall admission is Feb.1st each year. The deadline for spring admission is Aug.15th each year.
10. **Currently all TEAS exam sessions are being offered Online via ATI-Proctorio; you will not attend the campus for the exam.** Please check the website for updates.

11. Please create an ATI account on the www.atitesting.com website. Please select TWU (**TX Woman U Denton**) as your institution.
12. TEAS scores will be available to students immediately following the exam. All applicants must request that an **official TEAS transcript** be sent directly to **Texas Woman's University (TWU)** through the **ATI TEAS website** prior to the application deadline.
- If you take the TEAS exam at **TWU**, your transcript will be sent to us **automatically**—no action is needed.
 - If you test **at any other location**, you must manually request that ATI send your official transcript to **TWU**.
13. If a student tests outside of TWU College of Nursing, they will be required to purchase a TEAS transcript of their test date through the ATI website and indicate TX Woman U Denton as their institution in the request.
14. It is highly recommended that students review the TEAS study guide before taking the exam. TEAS study resources are available for purchase through ATI's online store under TEAS.
15. If the minimum score of 64% per individual section is not achieved, it is recommended that students utilize the ATI TEAS Focused Review that is available through your account. The Focused Review will highlight areas for improvement and provide feedback to increase scores for future attempts.
17. TEAS Exam Sessions are timed in accordance with the ATI TEAS exam administration policy.

| Subject | Number of Questions | Time Allotted |
|-----------------------------------|----------------------------|----------------------|
| Reading | 48 | 58 minutes |
| Mathematics | 34 | 51 minutes |
| Science | 54 | 66 Minutes |
| English and Language Usage | 34 | 34 minutes |
| Totals | 170 | 209 minutes |
